Open Access and Plan S for Researchers

Thursday, 7 November 2019 16:05 (25 minutes)

A coalition of national research funders in Europe has recently set funding criteria that all research publications should be issued in full and immediate Open Access. This talk will explore the details of this 'Plan S' and how researchers can comply with Plan S and actively get involved in Open Access.

Presenter: O'NEILL, Gareth (EOSC, cOAlition S)
